Philosophy & RE	How do people express commitment to their faith? What do Muslims believe about God? What difference does being a Muslim make to everyday life? What is the Trinity? What is philosophy? How do people make moral decisions?			Is believing in God reasonable? How has belief in God/Allah impacted on music/art through history? What can we learn about the world/knowledge/meaning of life from the great philosophers? What difference does the resurrection make to Christians? How do Hindus make sense of the world?			Where do religious beliefs come from? How do/have religious groups contributed to society and culture? What do we mean by truth? Is seeing believing? What does sacrifice mean? Why is there so much diversity of belief within Christianity?			How and why does religion bring peace and conflict? Creation or science: conflicting or complementary? What does it mean to be human? Is being happy the greatest purpose in life? How do Buddhists explain the suffering in the world? How do beliefs shape identity for Muslims?
