

English

We will start the term enjoying the story Jack and the Beanstalk. We will practice sequencing and retelling the story before writing simple sentences, trying to remember our capital letters and full stops. We will then move on to our lovely new books The Secret Sky Garden, The Bee who spoke and Look Up.

In Phonics we will continue to practice sounding out our words and remembering our new digraphs.

Again, remembering to not put an 'uh' on the end of our sounds.

Personal Social and Emotional Development.

We will be talking lots about how we grow and having a healthy lifestyle. We will discuss taking turns and sharing and being aware of the feelings of others and treating people with respect.

Mathematics

In Maths we are looking at the numbers up to 20 and the composition and formation. Please can you help your children learn the correct number formation at home. We are also looking at adding and taking away, doubling, halving, odd and even numbers, creating patterns and finding patterns within sets of numbers.

EYFS - Bravery and Blooms

Physical Development

In PE, we are learning Bat and Ball Skills and Athletics ready for Sports Day. We also take part in Cosmic Yoga.

In the classroom, we are concentrating on our pencil grip and letter and number formation. We will also have the trikes outside and various resources such as pipes and tyres to build ways to get across the outdoor area.

Communication and Language

We will be using these skills everyday at school and talking and discussing a variety of topics such as people in the past, growing, hot countries and getting ready for Year 1 among lots more.

A few reminders for parents:

PE is on a Monday and Wednesday.
Please ensure you READ with your children DAILY for 5 minutes and practice any sounds they may have to learn. More importantly please remember to send your child in with a water bottle

EVERYDAY!

Thank you!

Expressive Arts and Design

We will be painting and mixing colours and sketching and using junk for modelling. We will also be making collages.

Understanding the World

We will be finding out about people from the past and exploring what it is like in hot places. We will explore the festivals of Pentecost, Shavuot and Eid-Al-Adha. We will also continue to learn about seasons as well as thinking about how things grow and growing our own plants.
