Dear Parents,

**St Andrew's Ofsted Report**

As you are aware, Ofsted visited St Andrew's Primary at the beginning of Term 4 and we are pleased to attach a copy of the report.

We are so proud of our children and how they conducted themselves during the inspection. The report highlights how they live up to the school's high standards and that they show a dedication to the community through their fundraising. We are so pleased that the Inspector acknowledged this by grading Behaviour and Attitudes and Personal Development as Good – this is a true reflection of our children.

The report recognises that our curriculum is designed to meet the needs of all learners, including those with SEND and agrees with our current development plan concerning the ongoing monitoring and evaluation of our curriculum.

Also recognised is the priority we place on Early Reading, alongside the work of the school to support those pupils with SEND (Special Educational Needs and Disabilities). The report highlights the stable leadership, which is in place, providing consistency across the school.

Our thanks to staff and IEB, who have worked so hard and so quickly to implement the action points from all our federation's previous Ofsted and SIAMS Inspections to better support children. Our thanks, also, to our parents, who have maintained their commitment to the school and shared their views through the completion of the survey/speaking to the inspection team; we really couldn't have achieved this without you.

Yours sincerely,

**Rhiannon Price**
